Designed Around Your Business

iVech brings everything you need to run your rental business together in one powerful secure cloud platform.

Running a vehicle rental business means juggling bookings, vehicles, customers, contracts, payments and reporting - every single day.

iVech is built specifically for the rental industry, helping you streamline operations, improve visibility and deliver an outstanding customer experience.

Whether you operate a single location or multiple depots across the country, iVech grows with you.

All-in-one Management Software

Manage your rentals, fleet, and customers all in one place. Take payments using Blink, collect digital signatures, and check vehicles in and out on the go via our mobile application.

Keeping your vehicles protected.

Track your vehicles in real time and easily manage any damage or maintenance issues as they occur, helping you keep your entire fleet in top condition at all times.

Easy accounting and reporting

Generate detailed utilisation and financial reports for a complete view of your business. Simplify invoicing, manage payments, and stay on top of performance with real-time insights.

Designed by rental professionals.
Refined through years of real-world experience

We're with you Every Step of the Way

- Reduce loss and unauthorised use

Never Miss. Another Booking

Let your customers book online, anytime, from any device.

Book My Hire transforms your existing website into a fully integrated online booking system - without the cost or complexity of a bespoke solution.

The Online Booking Journey

Live Fleet Availability

Only vehicles available for the selected dates are shown.

Reduces double bookings and lost enquiries.

Live Pricing

Uses your existing iVech tariffs for accurate, real-time pricing.

Customers always see the right price.

Online Payments

Securely accept payments online at the time of booking.

Powered by Blink Payment for total peace of mind.

Rental Extras

Offer optional extras such as CDW, GPS and additional driver cover.

Increase revenue with every online booking.

Mobile Friendly

Designed to work beautifully on desktop, tablet and mobile devices.

Book anytime, anywhere.

Bespoke Branding

Match book my hire to your brand and website for a seamless look.

Your brand, your customer experience.

One Simple Monthly Fee

Unlimited bookings

No commission

No per booking charges

**Excluding payment processor charges*

Watch the integration in action

Trusted by Rental Companies Across the UK.

iVech is loved by rental businesses of all sizes.
Here's what our customers have to say

//

The team at iVech are fantastic! We first chose them as a fellow North East business, but we've stayed for so many more reasons. Their software is easy to use, their support is always helpful and accommodating, and it's transformed our business over the past five years—especially with online bookings in the last two. Highly recommended!

Lauren, Durham Vehicle Hire

//

//

Since using iVech, we've found ourselves to be more efficient than ever.

The team are always on hand to answer any queries or help us when we get lost. We wouldn't go anywhere else to help run our business!

Kay, City Self Drive
